Why should we worship Jesus? 

The **BIBLE** says that **JESUS** is the Son of God. That means that Jesus is **GOD**! Jesus even said himself "If anyone has seen me, then they have seen the **FATHER**."

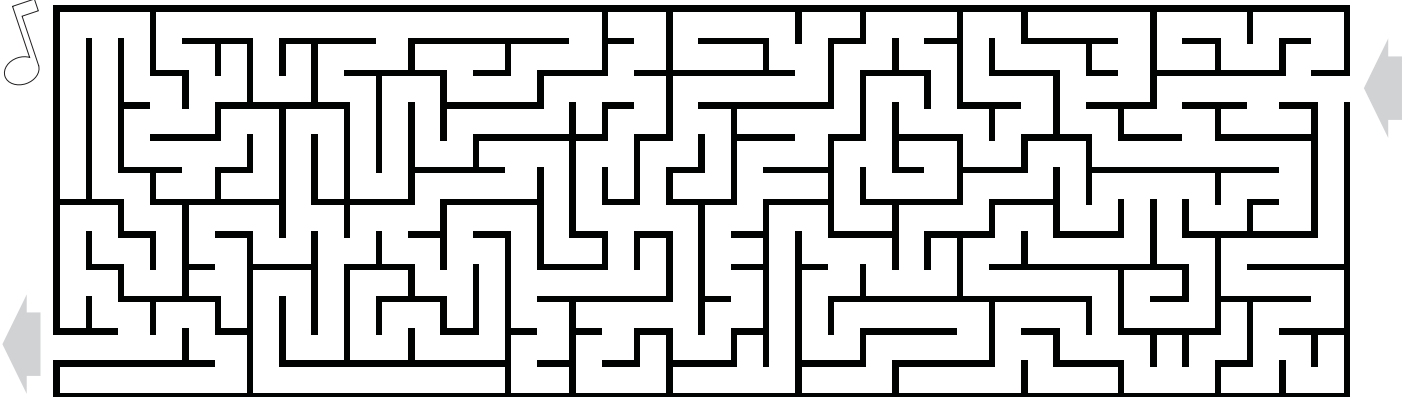

In the **OLD TESTAMENT** there were lots of **PROMISES** from God about how he would send the **MESSIAH** (which means "**CHOSEN**") to save the people from their **SINS**. All of these promises came true because of Jesus.

But how do we **WORSHIP** Jesus? Although **SINGING** is one way that we worship, it is not the only way. In fact God says in the book of Isaiah that he likes it more when people **OBEY** him than if they just sing **SONGS** but don't mean it.

This means things like being kind to others, telling the truth, helping people, listening to your parents and praying to God for help.

This is important, friends; because of God's mercy we should worship God with every part of our lives. Every part should be pure and clean and pleasing to God.
